I am applying for credit for prior learning through portfolio assessment for this course:

<u>Oakton Course Prefix, Number and Title:</u>   <u>Credit Hours:</u>

_____   _____

I understand that Oakton College reserves the right to review the evidence of learning outcomes achieved through prior learning, to determine Oakton course equivalencies for this prior learning, to evaluate the extent to which evidence indicates knowledge and skills commensurate with those expected of a student earning a C in the course(s), and to award Oakton credit accordingly. Some programs may require a minimal grade of "A" or "B" for alternate credit to be awarded. I further understand that submission of evidence does not in any way obligate the College to award credit.

The Oakton College Board of Trustees recognizes that college-equivalent learning can result from a variety of experiences. Therefore, provision is made for students with wide varieties of educational experiences to convert their experiences into college credit on the basis of demonstrated evidence of their having achieved learning objectives, knowledge and skills equivalent to those expected of a student successfully completing the equivalent course at Oakton.

A portfolio may include evidence of one or more courses within a single discipline.
